paper, ink

Description

Extent: 1 folder Envelope; Stamp cover. Stamp shows a black and blue image of the NASA Mercury capsule in the water with the aircraft carrier USS Intrepid in the distance sailing towards it. Text reads " USS Intrepid CVS 11 // Fighting "I" // Mercury Pickup". Report, Administrative; Administrative Remarks, May 24, 1962. "USS Intrepid (CVS-11) = Project Mercury Assignment 24 May 1962." The page has two blue and white photographs; one of astronaut Scott Carpenter arriving on Intrepid from space, and the other is of Intrepid at sea. Over the photographs is a summary of the project by J.L. Abbot, Jr., Intrepid's Commanding Officer at the time.
