

Basic Detail Report

Rolex Watch Case

Date

1960-1963

Primary Maker

Lawrence Glacy

Medium

metal, glass

Description

Watch; Metal wristwatch case with a round glass face that has different shaped markers, including a triangle, rectangles, and circles, and a crown on the side. The black face of the watch has "Rolex // (partially illegible) // GMT master // officially certified // chronometer" printed in

white. The GMT bezel is half red, half blue, and has numbers 0-24 so the watch can be set to another time zone. The back of the case has "L A G" lightly engraved (barely legible) in cursive.

Dimensions

1 7/8 × 1 5/8 × 5/8 in. (4.8 × 4.1 × 1.6 cm)
