## Enterprise Being Hoisted in Mate-De-Mate Structure

### Date

January 31, 1977

### Primary Maker

Robert Dilts

### Medium

photographic paper

### Description

Photograph, Color; Horizontal image of Enterprise (OV-101) being hoisted in Mate-Demate device at Dryden Flight Research Center prior to midnight of move. Enterprise is facing the camera, hoisted in the orange Mate-Demate structure. There are ramps on either side of the structure. In the center, foreground a person in a white hard hat is facing away from the camera. The person is looking up toward Enterprise with a tripod in front of them. In the bottom right corner of the image are several blurry figures.

### Dimensions

8 × 10 in. (20.3 × 25.4 cm)
