## Douglas A-1 Skyraider Landing

### Date

1963-1966

### Primary Maker

Agustin Ramos Jr.

### Medium

photographic paper

### Description

Photograph, Color; Horizontal modern reprint of a Douglas A-1 Skyraider landing on USS Intrepid's flight deck on a sunny day. There is a large splash in Intrepid's wake, presumably from something dropped by the airplane. The photograph was taken looking down from the island. On the left side of the image, another A-1 Skyraider and a Douglas A-4 Skyhawk are parked on the deck. One crew member, who is wearing a green jersey, stands on the flight deck.
