Description

Photograph, Black and white; Horizontal aerial image of Intrepid sailing past the Statue of Liberty, which is in the top right corner. Men are manning the rails at the front section of the ship, and there are supplies on the aft end of the angled deck. The ship is leaving New York after a refit. There are small ships including tugboats sailing on either side of the carrier. New Jersey is at the top of the photograph. There is a white border around the image.
