Description

Photograph, Black and white. Official horizontal image of USS Intrepid passing under the Manhattan Bridge in New York City. The photograph is an aerial view looking down at the ship and the bridge. Intrepid had just completed a modernization overhaul at the Brooklyn Navy Yard; the ship's new angled flight deck is visible. Crew members are lining the rails on the flight deck. There are piers along the East River on both sides, and buildings can be seen on either side. There are tugboats and other small boats surrounding Intrepid. There is a white border around the image. Back of image has "CVA-11 728(L)-4-57 Date 4/14/57 // U.S.S. Intrepid (CVA-11) // Subject: Aerial views of Intrepid // leaving Brooklyn Navy Yard // to Bayonne N.J." printed in black ink and written in blue ink.
