

Basic Detail Report

U.S. Navy APH-6A Flight Helmet

Date

April 1962–December 1963

Primary Maker

George A. Konow

Medium

metal, plastic, rubber, foam, leather, tape

Description

Helmet, Flight; U.S. Navy APH-6A white flight helmet. Helmet has a retractable dark visor, fabric chin strap, and a checkerboard pattern in orange and white reflective

tape. There is a blue knob at the top for visor adjustment with a center screw that reads, "L H // Thread". Both sides of the helmet and the back have a four-sided star in orange reflective tape. The star on the back is beneath two strips of white reflective tape that come to a point above the star. The foam interior has a brown leather front, center and back pad.

Dimensions

10 × 9 3/4 × 10 in. (25.4 × 24.8 × 25.4 cm)
