

Basic Detail Report

Ronson Cigarette Lighter

Date

ca. 1945

Primary Maker

Loren F. Isley

Medium

metal, fabric

Description

Lighter; Thin, oblong bronze Ronson cigarette lighter with "Loren F. Isley // Fighter Pilot" inscribed at center. The lighter features silver accents at top with a permanent lid

closure and a slide switch, which, when opened, reveals a small wick to ignite the flame. Bottom features two screws that can be unscrewed to reveal an oil filler in lighter interior. Writing stamped on the bottom is illegible.

Dimensions

1 7/8 × 1 11/16 × 9/16 in. (4.8 × 4.3 × 1.4 cm)
